**Life Education Truck:**  
It is not long until Harold comes to South School in his flash mobile classroom with Nicky Wise to work with our students on a range of very important topics. We have planned topics such as Social Relationships, the Brain and Worrying (strategies for anxiety), and drug and alcohol education for our older students. We are pleased to be able to offer also a parent session in the classroom around some of the key messages and aspects the students will be engaging in. Watch this space for further details.

## American Hotdogs
