	Friday 2nd June	Junior Syndicate Hot Dog Day
	Monday 5th	Queen's Birthday

COPS Winter Sports

The weather didn't really play along for us yesterday at cops winter sports. The senior students in Year 7 and 8 were fortunate enough to have the pavilion for shelter and so were able to get through the majority of their games, all be it a bit on the muddy side. Sadly, due to the weather forecast for next week and other schools' bus costs, a postponement day is not an option.

Community of Learning

The Otorohanga South School board of trustees has formally put forward an expression of interest into the Otorohanga community of learning initiative. This initiative is taking place across mini regions throughout New Zealand and is in the beginning development phase in our area. The initiative requires schools to work together in sharing good teaching practice and ideas around common goals across primary and secondary schooling. The board and I will be working hard to ensure that any new initiatives and developments have tangible positive outcomes for our students. The ministry of education is very motivated for these communities to be established and would like to see all of the coast schools involved in this group also. We will keep you posted with updates.

Thanks to Sports World Otorohanga

The Junior School recently purchased a large amount of new sports equipment from Sports World Otorohanga and are so very thankful for the significant discount given by Devender.

We are all set for our sports sessions now!
