Olivia Kurth's Junior Tough Guy and Girl Challenge Experience - Ngaruawahia
Mud, mud and even more mud, this was the challenge! During the 3km course I had to face things like climbing over muddy, wet walls, going through muddy enclosed pipes and over and under barbed wire. I was really pushed out of my comfort zone as I made my way across waist high mud swamps and slipped down the massive water slide. I came in 2nd out of 196 Senior girls. It really was a challenge, but it was fun.
