**Lower Junior - Zumba**

The Lower Junior Syndicate had a blast doing Zumba with Vicky and Gina from Project Energize. The moves were easy to follow which helped with coordination. The students all had smiles on their faces and it really got their blood pumping.

**School Lunch Waste**

We have been seeing bucket loads of wrapped sandwiches, biscuits and crackers as well as partially eaten fruit thrown out recently. It's a shame to see good food go to waste. Keep checking in with your children as to what works for you and them to keep them healthy.
