Fire Station Visit

The Lower Junior classes in Rooms 8, 9, 10 and 11 had a wonderful time at the Fire Station last Friday. The children, parents and teachers were involved in learning about fire-fighting and were able to use the hoses, sit in the fire engines and try on the clothing the firemen wear. Thank you very much to the parents who accompanied us on this excursion. Your interest, supervision and complete involvement in the activities was appreciated. Thanks very much also to the fire station personnel who were excellent with our students and made the visit very exciting.

The Learning Pit

Do you want to know more about how we aim to challenge students and encourage them to take risks in their learning? Come along on Tuesday the 10th of April at 6:30pm to take part in a learning workshop where you can find out how you can help at home. Be prepared to be challenged in your thinking. This will be a short interactive 1 hour workshop introducing you to The Learning Pit - what is it? Come along and find out.
