**Becoming a Trustee**

Trustees are active leaders in our schools. They have an important role of supporting strong professional leadership and ensuring effective teaching for all students through informed governance. Parents/caregivers and people in the wider community can be school trustees. School boards need to represent the diversity of their school communities to ensure a bright future for all our children. The trustee elections are the opportunity to vote for candidates who will make a positive difference for children's education. We need more people willing to use their skills and experiences for the benefit of students!

Visit [www.trustee-election.co.nz/becoming-a-trustee/](http://www.trustee-election.co.nz/becoming-a-trustee/) to find out more about what is involved in becoming a trustee. There are several short videos available to watch.

If you would like to chat 1 to 1 with Shawn or a board member about trusteeship, don't hesitate to contact the office.

**Board of Trustees' Election - Call for Nominations**

Nominations are invited for the election of 5 parent representatives to the board of trustees. A nomination form and a notice calling for nominations has been posted to all eligible voters. You can nominate another person to stand as a candidate, or you can nominate yourself. Both parts of the form must be signed. Additional nomination forms can be obtained from the school office. Nominations close at noon on Friday 24th May 2019 and may be accompanied by a signed candidate statement and photograph.

The voting roll is open for inspection at the school and can be viewed during normal school hours. There will also be a list of candidates' names, as they come to hand, for inspection at the school.

Voting closes at noon on Friday 7th June 2019
