**A Positive Environment to Learn**

The following are key ideas we keep emphasising with our students:

- We understand at South School that Integrity is doing the right thing when no one is watching. Bullies don't do that.
- We are kind and helpful - We respect people—We are honest
- We understand the difference between being funny with our friends, being rude or mean and being a bully.
- If we see something that is not right, we speak up.
- We know what to do if we are being bullied. Use our **WITS**: Walk away with our friends. Ignore them. Tell our teacher or parents or get our friends to. Say to the bullies we don't like what they are doing.

Parents, your first call, if you think there is a problem, please get in touch with the class teacher. Following this, the team leader, DP and Principal. We always take your concerns seriously as we work together to keep South School a positive environment for your child to learn and grow.
