Kia ora koutou,
 This week Room 4, 5 and 6 held their Bikewise day, students practised road safety skills like looking sideways and over their shoulder plus using hand signals as they turn corners. They also discussed the importance of wearing a helmet on their head and not on their arm. Winter sports are slowly coming to an end and Miniball season is just around the corner. As always we need coaches and helpers for teams to take part, please consider how you might be able to help out.

100 Days!

Last week Room 14 celebrated the 100th day at school for the year. We have been counting down since the first day of school! Our day was all about the number 100. Some of the students brought items from home to share and some even dressed up as 100 year old people! Throughout the day we learned lots about the number 100. Our learning tasks included writing about what we will do when we are 100, 10 sets of 10 exercises for fitness, making a structure out of 100 blocks, decorating cupcakes with 100's and 1000's, researching about our 100 dollar note and we ended our day with 100 high fives with our buddy class. Apparently some of our 100 year olds are going to be yelling at the TV "that's rubbish", not sharing the remote, and calling people who run on their lawn "scallywags". We all had loads of fun and know even more about the number 100!!

Pet Day Committee Meeting

7pm at the Weta

The Pet Day committee only meets once or twice a year and we need your help! A few committee members are stepping down after this year so now is a great time to come on board and learn the ropes for this fun day for the children.

Pet Day will be held on Friday 18th October

Now is the time for children to start thinking about having a pet calf, lamb, goat or dog. A minimum number of calves will be required before we will run the calf section. Please note that Group Day is on FRIDAY 25th October. There is no cross-bred section at Group Day.
 Please contact Kaysey on 021 177 9909 if you have any questions.
