

SCHOOL CLOSED WEDNESDAY 29TH MAY

IT'S TIME YOUR CHILDREN HAD THE EDUCATION THEY DESERVE

Schools are facing a teacher shortage crisis, with a 40% drop in people training to be teachers; and a growing number of school-aged children. In late 2018, 50% of schools reported that they did not have enough teachers. Schools are struggling to attract teaching staff, and that problem looks set to worsen.

There is also a desperate need for more support for children with additional learning needs.

Yet, the Government recorded a bumper surplus of \$2.5 billion in April 2019. The money is available and we're calling on the government to prioritise a quality public education for every child.

WHAT WE ARE CAMPAIGNING FOR?

- * **More teachers – so your kids can get more attention**
- * **More resources/staff to support children with additional learning needs**
- * **A pay jolt to salaries for teachers to address the teacher shortage – so that your children will have a teacher in the future.**
